About Us

The completion of our building expansion in 2007 has given us the opportunity to offer more services to meet the needs of the community. The development of our dental clinic allows us to now provide

better preventive health and dental care to the residents of Douglas County and the

surrounding area. These advancements have been made in an effort to continue improving the community's overall health and well-being by working with infants, children, adults and elderly.

Services

Children Services

- Complete dental care
 - Periodic exams, x-rays, cleanings (once every 6 months), fillings, sealants (ages 5-17), and extractions
- Medicaid and AllKids covers children ages 0-20
- Services beyond what the medical card covers may be provided for a nominal fee for those who qualify

Adult Services

- Comprehensive exams, extractions, fillings, dentures, crowns, root canals and x-rays

Adults cleanings and preventative services are not covered by the medical card but can be done for a nominal fee

FAQ's

Who does the clinic serve?

Citizens of Douglas County and the surrounding areas

Does the clinic accept walk-ins?

Most services require an appointment which can be made over the phone or at the front desk of our office.

What is the cost?

Please call for the cost of specific services. The dental clinic accepts patients with Medicaid and AllKids with standard rates applied. Patients without insurance that fall under specific income guidelines are also served and charged standard Medicaid rates. Payment is due at time of service.
